Low	4
Total	5

Detailed Findings

Finding 1

Agent: Code Analysis Agent
Severity: LOW
Issue: Unknown
Line: 11
Description: No description available.
Recommendation: No recommendation available.

Finding 2

Agent: Code Analysis Agent
Severity: LOW
Issue: Unknown
Line: 1
Description: No description available.
Recommendation: No recommendation available.

Finding 3

Agent: Code Analysis Agent
Severity: LOW
Issue: Unknown
Line: 4

Description: No description available.

Recommendation: No recommendation available.

Finding 4

Agent: Code Analysis Agent

Severity: LOW

Issue: Function

Line: 4

Description: No description available.

Recommendation: No recommendation available.

Finding 5

Agent: Security Agent

Severity: HIGH

Issue: Unknown

Line: 6

Description: No description available.

Recommendation: No recommendation available.
